It is the mission of Bright Start Nursery and Preschool to provide quality childcare for all families in the community in a warm, nurturing, loving, and educational environment. It is the goal of the Treasured Angels Child Care Center and Preschool.

*To provide high quality, developmentally appropriate childcare with focus on the individual child's age and ability to stimulate social, cognitive, physical, and emotional growth.

*To provide a safe, nurturing, and recreational environment for school age children to be involved with their children's education and have access to parenting support and education.

*We participate with Strengthen Families Initiative alongside Grow NJ Kids Star Centers.

*We follow the HighScope Curriculum which enables each child to develop new skills at their own ability levels, to prepare each child for success in kindergarten and to provide a safe, healthy environment for the children so their parents can have a peace of mind in regarding their children's care.
